SATURDAY, APRIL 16, 1853.

Fort William, Home Department, Legislative,
The 15th April, 1853.

The following Act, passed by the Governor General of India in Council on the 15th April, 1853, is hereby promulgated for general information:

Act No. VI. of 1853.

An Act relating to Summary Suits for Arrears of rent, to sales of Patnee Talooks, and other saleable tenures, and to sales of land in satisfaction of Summary Decrets for rent.

WHEREAS, by Regulation VIII. 1831 of the Bengal Code, the hearing and decision of Summary Suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of Land Revenue of the several districts; and whereas by Regulation VII. 1832 of the Bengal Code, the conduct of sales of Patnee Talooks and other saleable tenures, under Regulations VIII. 1819, and I. 1820 of the same Code, and the performance of other acts preparatory to, or connected with, such sales, were transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal as therein provided; and whereas by Act VIII. 1835, the power theretofore vested in the Judges of the Dewanny Adawlut of selling land in satisfaction of summary decreets for rent was transferred to the Collectors of Land Revenue, and it was enacted that all sales for the recovery of arrears of rent held under Clause 7, Section XV, Regulation VII. 1799, should be conducted by the Collector, his Deputy, or duly authorized Assistant, and that ten days' notice should be given of such sales by advertisement to be stuck up at the Chutcherly of the Zillah Court or local Adawlut, and that of the Collector; and whereas it is expedient that Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause 1, Section XVI, Regulation VII. 1832 of the same Code, and as altered by the said Act XXV. 1850, should be extended to sales under Act VIII. 1835; and whereas doubts may be entertained as to who ought to exercise the jurisdiction transferred by the above-mentioned Regulations and Acts, where lands situate within the zillah or other district of one Collector, form part of an entire estate, paying revenue to the Collector of another zillah or district: In order therefore to avoid such doubts, and

also to define who are the proper Officers to exercise such jurisdictions in cases where lands are situate in a district assigned to an independent Deputy Collector, and also in cases where lands held in Patnee, or other tenure, or one entire rent, are situate in two or more Collectorates, and to prevent any such decision or sale already made from being held invalid, upon the ground of its having been made by an Officer of a wrong district; it is enacted as follows:

I. If the lands which may be the subject of any such sale, or of the rent of which any such suit may relate, be all situate in one Collectorate, the Collector of such Collectorate is the Collector to conduct the sale, or to hear and decide the suit. If one Talook or tenure shall comprise lands situate in two or more Collectorates, or if any lands situate in two or more Collectorates be held under one lease or engagement, or of one entire rent, the Collector, in whose Collectorate the greater part of such lands shall be situate, is the Collector to conduct the sale of such Talook or tenure, or of such lands, and to hear and decide any summary suit relating to arrears or exactions of rent in respect thereof.

II. If a Collector, to whom application shall be made to exercise any of the powers above mentioned, shall entertain any doubt as to whether the lands or the greater part of them are situate within his Collectorate, he shall report the case for the order of the Board to which he is subordinate, and if ordered by such Board to proceed in the matter, such order shall be conclusive upon the question of his jurisdiction.

III. The word "Collectorate" in this Act means the zillah or other district, to which a Collector is appointed, and no lands situate beyond the limits of such zillah or district shall be deemed to be situate within the Collectorate, by reason of their forming part of an estate paying revenue to the Collector thereof.

IV. An independent Deputy Collector may, within his Deputy Collectorate, exercise all the powers and jurisdictions of a Collector with which he may be entrusted, in the same manner and to the same extent as a Collector may do within his Collectorate, and with reference to the exercise of such powers and jurisdictions, his Deputy Collectorate shall be deemed a Collectorate, and he shall be deemed to be a Collector within the meaning of this Act.

V. An independent Deputy Collector is an Officer appointed by Government to act as Deputy Collector, independently of a Collector, whether his office is one for the receipt of revenue or not. A Deputy Collectorate is the district within which an independent Deputy Collector is directed by Government to act.

VI. In cases of sales by an independent Deputy Collector, under the abovementioned Regulations or Act, any notice thereby required to be stuck up at the Cutcherry of the Collector, may be stuck up at the Cutcherry of the Deputy Collector.

VII. An independent Deputy Collector may exercise the powers assigned to him over any part of his Deputy Collectorate in public Cutcherry, in whatever part of his Deputy Collectorate the same may be situate or held.

VIII. Any notice required by the abovementioned Regulations or Act, to be given by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, shall be stuck up at the Zillah Court or local Adawlut within the jurisdiction of which the lands to be sold, or the greater portion of them, as the case may be, shall be situate.

IX. No order, decision, or sale, made in the discharge of any of the duties aforesaid under any of the aforesaid Regulations, or under the aforesaid Act, before the passing of this Act, shall be disputed, or deemed invalid, upon the ground that the Collector, Deputy Collector, or other Officer making the same, was not the Collector, Deputy Collector or Officer of the proper district; or upon the ground that the Cutcherry, at which notice of such sale was given, was not the Cutcherry of the proper district, unless proceedings shall, previously to the passing of this Act, have been commenced, for the purpose of disputing the validity of such order, decision, or sale, upon such ground.

X. Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause I, Section XVI. Regulation VII. 1832 of the same Code, except so far as the same has been altered by the said Act XXV. 1850, are hereby extended to all sales under Act VIII. 1835.

Fort William, Home Department, Legislative,
The 15th April, 1853.

The following Act, passed by the Governor General of India in Council on the 15th April, 1853, is hereby promulgated for general information:

Act No. VI. of 1853.

An Act relating to Summary Suits for arrears of rent, to sales of Putnee Talooks, and other saleable tenures, and to sales of land in satisfaction of Summary Decrees for rent.

WHEREAS, by Regulation VIII. 1831 of the Bengal Code, the hearing and decision of Summary Suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of Land Revenue of the several districts; and whereas by Regulation VII. 1832 of the Bengal Code, the conduct of sales of Putnee Talooks and other saleable tenures, under Regulations VIII. 1819, and I. 1820 of the same Code, and the performance of other acts preparatory to, or connected with, such sales, were transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal as therein provided; and whereas by Act VIII. 1835, the power theretofore vested in the Judges of the Dewanny Adawlut of selling land in satisfaction of summary decrees for rent was transferred to the Collectors of Land Revenue, and it was enacted that all sales for the recovery of arrears of rent held under Clause 7, Section XV. Regulation VII. 1799, should be conducted by the Collector, his Deputy, or duly authorized Assistant, and that ten days' notice should be given of such sales by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, and that of the Collector; and whereas it is expedient that Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause I, Section XVI. Regulation VII. 1832 of the same Code, and as altered by the said Act XXV. 1850, should be extended to sales under Act VIII. 1835; and whereas doubts may be entertained as to who ought to exercise the jurisdiction transferred by the above-mentioned Regulations and Acts, where lands situate within the zillah or other district of one Collector, form part of an entire estate, paying revenue to the Collector of another zillah or district: In order therefore to avoid such doubts, and

also to define who are the proper Officers to exercise such jurisdictions in cases where lands are situate in a district assigned to an independent Deputy Collector, and also in cases where lands held in Putnee, or other tenure, at one entire rent, are situate in two or more Collectorates, and to prevent any such decision or sale already made from being held invalid, upon the ground of its having been made by an Officer of a wrong district; It is enacted as follows:

I. If the lands which may be the subject of any such sale, or to the rent of which any such suit may relate, be all situate in one Collectorate, the Collector of such Collectorate is the Collector to conduct the sale, or to hear and decide the suit. If one Talook or tenure shall comprise lands situate in two or more Collectorates, or if any lands situate in two or more Collectorates be held under one lease or engagement, or at one entire rent, the Collector, in whose Collectorate the greater part of such lands shall be situate, is the Collector to conduct the sale of such Talook, or tenure, or of such lands, and to hear and decide any summary suit relating to arrears or exactions of rent in respect thereof.

II. If a Collector, to whom application shall be made to exercise any of the powers above mentioned, shall entertain any doubt as to whether the lands or the greater part of them are situate within his Collectorate, he shall report the case for the order of the Board to which he is subordinate, and if ordered by such Board to proceed in the matter, such order shall be conclusive upon the question of his jurisdiction.

III. The word "Collectorate" in this Act means the zillah or other district, to which a Collector is appointed, and no lands situate beyond the limits of such zillah or district shall be deemed to be situate within the Collectorate, by reason of their forming part of an estate paying revenue to the Collector thereof.

IV. An independent Deputy Collector may, within his Deputy Collectorate, exercise all the powers and jurisdictions of a Collector with which he may be entrusted, in the same manner and to the same extent as a Collector may do within his Collectorate, and with reference to the exercise of such powers and jurisdictions, his Deputy Collectorate shall be deemed a Collectorate, and he shall be deemed to be a Collector within the meaning of this Act.

V. An independent Deputy Collector is an Officer appointed by Government to act as Deputy Collector, independently of a Collector, whether his office is one for the receipt of revenue or not. A Deputy Collectorate is the district within which an independent Deputy Collector is directed by Government to act.

VI. In cases of sales by an independent Deputy Collector, under the abovementioned Regulations or Act, any notice thereby required to be stuck up at the Cutcherry of the Collector, may be stuck up at the Cutcherry of the Deputy Collector.

VII. An independent Deputy Collector may exercise the powers assigned to him over any part of his Deputy Collectorate in public Cutcherry, in whatever part of his Deputy Collectorate the same may be situate or held.

VIII. Any notice required by the abovementioned Regulations or Act, to be given by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, shall be stuck up at the Zillah Court or local Adawlut within the jurisdiction of which the lands to be sold, or the greater portion of them, as the case may be, shall be situate.

IX. No order, decision, or sale, made in the discharge of any of the duties aforesaid under any of the aforesaid Regulations, or under the aforesaid Act, before the passing of this Act, shall be disputed, or deemed invalid, upon the ground that the Collector, Deputy Collector, or other Officer making the same, was not the Collector, Deputy Collector or Officer of the proper district; or upon the ground that the Cutcherry, at which notice of such sale was given, was not the Cutcherry of the proper district, unless proceedings shall, previously to the passing of this Act, have been commenced, for the purpose of disputing the validity of such order, decision, or sale, upon such ground.

X. Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause I, Section XVI. Regulation VII. 1812 of the same Code, except so far as the same has been altered by the said Act XXV. 1850, are hereby extended to all sales under Act VIII. 1835.

The following Act, passed by the Governor General of India in Council, on the 15th April, 1853, is hereby promulgated for general information.

Act No. VII. of 1853.

An Act to extend the jurisdiction of Magistrates, under the 53rd George 3rd, Cap. 155, Sec. 105 in cases of assaults, forcible entries, and other injuries accompanied with force, not being felonies.

WHEREAS, by an Act passed in the 53rd year of the reign of King George the 3rd, it was enacted amongst other things that it should be lawful for any Native of India resident in the East Indies or parts therein mentioned, and out of the Towns of Calcutta, Madras and Bombay, in case of any assault, forcible entry, or other injury accompanied with force, not being felony, alleged to have been done against his person or property by a British subject, to complain of such assault, forcible entry, or other injury accompanied

with force, not being felony, to the Magistrate of the zillah, or district where the alleged offender should be resident, or in which such offence should have been committed, and that such Magistrate should have the power and authority therein mentioned: and whereas Natives of India, resident in the East Indies, upon complaints preferred by them under the aforesaid provisions of the said Act, may be prevented from obtaining redress under the same, by reason of their inability to prove the place of their birth: and whereas it is expedient to extend the aforesaid provisions of the said Act as amended by Act IV. 1843, to cases of assaults, forcible entries, and other injuries accompanied with force, not being felonies, committed in any part of the territories under the Government of the East India Company, not being within the said Towns of Calcutta or Madras, or the Islands of Bombay and Colaba, or the settlement of Prince of Wales' Island, Singapore and Malacca, against the person or property of any person whatever, whether a Native of India or not: It is enacted as follows:

I. The provisions of the said Act of the 53rd George 3rd and of Act IV. 1843, so far as the said provisions extend to cases of assault, forcible entries, or other injuries accompanied with force, not being felonies, against the person or property of any Native of India, are hereby extended to the case of any assault, forcible entry, or other injury accompanied with force, not being felony, which may at any time hereafter be committed in any part of the territories under the Government of the East India Company, not being within the said towns of Calcutta or Madras, the said Islands of Bombay and Colaba, or the said settlement of Prince of Wales' Island, Singapore and Malacca, by any British subject or other person, against the person or property of any person whatever.

II. The powers in such cases given to the Magistrate of the zillah or district, may be lawfully exercised by any Joint Magistrate or other person lawfully exercising the powers of a Magistrate, in the case of any such offence as aforesaid, which may hereafter be committed within the district over which his authority extends.

*Fort William, Home Department, Legislative,
The 15th April, 1853.*

The following Act, passed by the Governor General of India in Council on the 15th April, 1853, is hereby promulgated for general information:

ACT No. VI. of 1853.

An Act relating to Summary Suits for arrears of rent, to sales of Putnee Talooks, and other saleable tenures, and to sales of land in satisfaction of Summary Decrees for rent.

WHEREAS, by Regulation VIII. 1831 of the Bengal Code, the hearing and decision of Summary Suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of Land Revenue of the several districts; and whereas by Regulation VII. 1832 of the Bengal Code, the conduct of sales of Putnee Talooks and other saleable tenures, under Regulations VIII. 1819, and I. 1820 of the same Code, and the performance of other acts preparatory to, or connected with, such sales, were transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal as therein provided; and whereas by Act VIII. 1835, the power theretofore vested in the Judges of the Dewanny Adawlut of selling land in satisfaction of summary decrees for rent was transferred to the Collectors of Land Revenue, and it was enacted that all sales for the recovery of arrears of rent held under Clause 7, Section XV. Regulation VII. 1799, should be conducted by the Collector, his Deputy, or duly authorized Assistant, and that ten days' notice should be given of such sales by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, and that of the Collector; and whereas it is expedient that Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause 1, Section XVI. Regulation VII. 1832 of the same Code, and as altered by the said Act XXV. 1850, should be extended to sales under Act VIII. 1835; and whereas doubts may be entertained as to who ought to exercise the jurisdiction transferred by the above-mentioned Regulations and Acts, where lands situate within the zillah or other district of one Collector, form part of an entire estate, paying revenue to the Collector of another zillah or district: in order therefore to avoid such doubts, and also to define who are the proper Officers to exercise such jurisdictions in cases where lands are situate in a district assigned to an independent Deputy Collector, and also in cases where lands held in Putnee, or other tenure, at one entire rent, are situate in two or more Collectorates, and to prevent any such decision or sale already made from being held invalid, upon the ground of its having been made by an Officer of a wrong district; It is enacted as follows:

I. If the lands which may be the subject of any such sale, or to the rent of which any such suit may relate, be all situate in one Collectorate, the Collector of such Collectorate is the Collector to conduct the sale, or to hear and decide the suit. If one Talook or tenure shall comprise lands situate in two or more Collectorates, or if any lands situate in two or more Collectorates be held under one lease or engagement, or at one entire rent, the Collector, in whose Collectorate the greater part of such lands shall be situate, is

the Collector to conduct the sale of such Talook, or tenure, or of such lands, and to hear and decide any summary suit relating to arrears or exactions of rent in respect thereof.

II. If a Collector, to whom application shall be made to exercise any of the powers above mentioned, shall entertain any doubt as to whether the lands or the greater part of them are situate within his Collectorate, he shall report the case for the order of the Board to which he is subordinate, and if ordered by such Board to proceed in the matter, such order shall be conclusive upon the question of his jurisdiction.

III. The word "Collectorate" in this Act means the zillah or other district, to which a Collector is appointed, and no lands situate beyond the limits of such zillah or district shall be deemed to be situate within the Collectorate, by reason of their forming part of an estate paying revenue to the Collector thereof.

IV. An independent Deputy Collector may, within his Deputy Collectorate, exercise all the powers and jurisdictions of a Collector with which he may be entrusted, in the same manner and to the same extent as a Collector may do within his Collectorate, and with reference to the exercise of such powers and jurisdictions, his Deputy Collectorate shall be deemed a Collectorate, and he shall be deemed to be a Collector within the meaning of this Act.

V. An independent Deputy Collector is an Officer appointed by Government to act as Deputy Collector, independently of a Collector, whether his office is one for the receipt of revenue or not. A Deputy Collectorate is the district within which an independent Deputy Collector is directed by Government to act.

VI. In cases of sales by an independent Deputy Collector, under the abovementioned Regulations or Act, any notice thereby required to be stuck up at the Cutcherry of the Collector, may be stuck up at the Cutcherry of the Deputy Collector.

VII. An independent Deputy Collector may exercise the powers assigned to him over any part of his Deputy Collectorate in public Cutcherry, in whatever part of his Deputy Collectorate the same may be situate or held.

VIII. Any notice required by the abovementioned Regulations or Act, to be given by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, shall be stuck up at the Zillah Court or local Adawlut within the jurisdiction of which the lands to be sold, or the greater portion of them, as the case may be, shall be situate.

IX. No order, decision, or sale, made in the discharge of any of the duties aforesaid under any of the aforesaid Regulations, or under the aforesaid Act, before the passing of this Act, shall be disputed, or deemed invalid, upon the ground that the Collector, Deputy Collector, or other Officer making the same, was not the Collector, Deputy Collector or Officer of the proper district; or upon the ground that the Cutcherry, at which notice of such sale was given, was not the Cutcherry of the proper district, unless proceedings shall, previously to the passing of this Act, have been commenced, for the purpose of disputing the validity of such order, decision, or sale, upon such ground.

X. Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause 1, Section XVI. Regulation VII. 1812 of the same Code, except so far as the same has been altered by the said Act XXV. 1850, are hereby extended to all sales under Act VIII. 1835.

Secy. to the Govt. of India.

Act No. VII. of 1853.

An Act to extend the jurisdiction of Magistrates, under the 53rd George 3rd, Cap. 155, Sec. 105, in cases of assaults, forcible entries, and other injuries accompanied with force, not being felonies.

WHEREAS, by an Act passed in the 53rd year of the reign of King George the 3rd, it was enacted amongst other things that it should be lawful for any Native of India resident in the East Indies or parts therein mentioned, and out of the Towns of Calcutta, Madras and Bombay, in case of any assault, forcible entry, or other injury accompanied with force, not being felony, alleged to have been done against his person or property by a British subject, to complain of such assault, forcible entry, or other injury accompanied with force, not being felony, to the Magistrate of the zillah, or district where the alleged offender should be resident, or in which such offence should have been committed; and that such Magistrate should have the power and authority therein mentioned: and whereas Natives of India, resident in the East Indies, upon complaints preferred by them under the aforesaid provisions of the said Act, may be prevented from obtaining redress under the same, by reason of their inability to prove the place of their birth: and whereas it is expedient to extend the aforesaid provisions of the said Act as amended by Act IV. 1843, to cases of assaults, forcible entries, and other injuries accompanied with force, not being felonies committed in any part of the territories under the Government of the East India Company, not being within the said Towns of Calcutta or Madras, or the Islands of Bombay and Colaba, or the settlement of Prince of Wales' Island, Singapore and Malacca, against the person or property of any person whatever, whether a Native of India or not: It is enacted as follows:

I. The provisions of the said Act of the 53rd George 3rd and of Act IV. 1843, so far as the said provisions extend to cases of assault, forcible entries, or other injuries accompanied with force, not being felonies, against the person or property of any Native of India, are hereby extended to the case of any assault, forcible entry, or other injury accompanied with force, not being felony, which may at any time hereafter be committed in any part of the territories under the Government of the East India Company not being within the said towns of Calcutta or Madras, the said Islands of Bombay and Colaba, or the said settlement of Prince of Wales' Island, Singapore and Malacca, by any British subject or other person, against the person or property of any person whatever.

II. The powers in such cases given to the Magistrate of the zillah or district, may be lawfully

exercised by any Joint Magistrate or other person lawfully exercising the powers of a Magistrate, in the case of any such offence aforesaid, which may hereafter be committed within the district over which his authority extends.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA
IN COUNCIL.

FORT WILLIAM, 25TH APRIL 1853.

No. 351 of 1853.—The following Notification from the Foreign Department is published in General Order:

No. 1872.

Fort William, Foreign Department, the 22nd April, 1853.

NOTIFICATION.—The Most Noble the Governor General in Council has much satisfaction in publishing for general information, Extracts from Despatches, reporting the operations of Brigadier General Sir John Cheape, K. C. B., against the force under Myat-toon, who had established himself near to Donabew.

The Governor General in Council regards with the highest admiration the gallantry, perseverance, and cheerful endurance displayed by the force under the Brigadier General's Command, throughout a service which was rendered peculiarly severe, not more by the formidable resistance that was offered than by the sufferings incident to prolonged exposure in pestilent jungle, and at such a time.

His Lordship in Council, regretting the loss that has been incurred, fully appreciates the service that has been done, and he requests the Major General Commanding the Troops in Ava, to convey to Brigadier General Sir John Cheape, to the Officers and Soldiers, whom he has specially named, and to all who were under his command, the approbation and cordial thanks of the Supreme Government.

By Order of the Most Noble the Governor General of India in Council,

C. ALLEN,

Officiating Secretary to the Government of India.

Extract from a letter from Major General H. Godwin, C. B., Commanding Forces in Ava, Arracan and the Tenasserim Provinces, to C. Allen, Esquire, Secretary to the Government of India, Foreign Department. Dated the 1st April, 1853, No. 37.

SIR,

I have the honor to forward, for the information of the Governor General in Council, reports from Sir J. Cheape, dated the 13th and 25th ultimo, detailing the proceedings of his Force since his report of the 3d ultimo, forwarded in my despatch, No. 36, of the 15th instant.

The Governor General in Council will see and appreciate this most arduous service; protracted as it has been from time to time by the difficult nature of the country, added to which unwilling, if not false guides, leading him in wrong directions.

The Brigadier General so forcibly represents his various attacks, and the gallantry of the Troops on every occasion, that I can add nothing more than my high sense and appreciation of their admirable conduct.

Extract from a Despatch from Brigadier General Sir J. Cheape, K. C. B., Commanding Bengal Division, to the Deputy Adjutant General Army of Ava—Frome.

Dated Donabew, 25th March, 1853.

While at Kyomtano I ascertained the jungle to the Westward to be quite impenetrable and that there were only two routes to Kyomenzeen, one to the Southward via Gyet-thoun-zeen, and the other to the Northward, by Ngyoung-youn; the distance by these routes was said to be about equal, and the same opposition and obstacles were to be expected by either. I resolved to follow the latter route.

It was desirable to give the Enemy as little time as possible for preparation, and on the evening of the 17th instant, at 2 P. M., I sent on the Right Wing, under Major Wigstone, 18th R. L., consisting of H. M.'s 18th R. I. Regiment, H. M.'s 80th Regiment and the 4th Sikh Local Regiment, with a detail of Sappers and some rockets, to take post at a breastwork about three miles in advance, in the middle of the forest, and on the verge of a large lake. It was of importance to clear the road so far, to enable the Force to march early next morning without waiting for the fog to clear off.

Major Wigstone found the road clear till within about a mile of the breastwork; he had then to cut his way through many obstructions, and to open the road round felled trees and to clear away abattis. On reaching the breastwork he found it occupied, and it was most gallantly carried by the 18th R. I., who were leading, and by the 4th Sikh Local Regiment in support; several Jingalls and arms of different sorts were captured. Major Armstrong, 4th Sikh Local Regiment, on this occasion personally distinguished himself, and I beg to send a copy of Major Wigstone's letter, of date the 20th instant, reporting most favorably of the conduct of the Troops. A prisoner was taken upon this occasion, who was of some use in our further advance in describing and pointing out the Enemy's position.

Major Wigstone bivouacked here for the night and was undisturbed; and early next morning (the 18th instant) I moved on with the Force from Kyomtano, carrying seven days' provisions. We passed Major Wigstone's party, and moved with our Left Wing, under Lieutenant-Colonel Sturt, consisting of H. M.'s 51st K. O. L. I., and the 67th B. N. I. in front, followed by the guns and Irregular Cavalry, and leaving the Right Wing to bring up the rear and to furnish the rear guard.

As the road was greatly obstructed and the progress slow, I took the opportunity to send back to Kyomtano with some Irregulars, the sick and wounded of Major Wigstone's party; the escort rejoined us again with the empty coolies.

After going about two miles through forest and passing breastworks from which only an occasional shot was fired, our guides, instead of going further by the road we had traversed on the 11th instant, turned sharp off to the left; along this path the obstructions and felled trees continued for about a mile, and the road was so rough that one of the ammunition waggons was overturned and the pole broken; it was necessary to leave it, and the ammunition boxes were packed on spare hackeries.

We arrived at noon at a piece of water on our right, where I halted for an hour to refresh the men, and at 1 P. M., we moved on; the obstructions were very great, and it occupied about two hours getting a mile further; there was some firing also, and the Enemy were reported to be in a position close at hand.

We at last had a very sharp fire opened on us from the left. A fire had been lighted in that quarter to obscure the vision, and the whole place was obstructed and entangled with abattis in front and along the left; part of the 67th N. I. with the Rifles engaged the Enemy to the left, and we managed to clear the path to the front so as to advance the 51st K. O. L. I., and to bring the guns and rockets to bear upon the Enemy, whose position, however, was so covered and hidden that we could only judge of it from the direction of the fire on our Troops.

The road or path was at length sufficiently cleared and the charge was ordered; the breastwork was most gallantly carried, by H. M.'s 51st K. O. L. I., and the 67th N. I., Captain Singleton, 51st Regiment, leading the advance. Ensign Boileau, of the 67th N. I., was, I regret to say, killed while gallantly attacking the Enemy on our left flank.

The Enemy's loss I was unable to ascertain, but his Force here consisted of 1,000 men, with one gun, which was carried off, and Myat-toon was present in person. This I learned from a prisoner who was taken.

We lost no time in following up the Enemy, but after proceeding along an open road for about a mile, I thought it advisable, it being nearly 5 P. M., to halt at a piece of water Ngyoung-Kymug, said to be distant about three miles from Kyomtano, but with a heavy jungle intervening, in which the Enemy were reported to be in force.

At 8 P. M. I fired, at the request of Captain Smith, Deputy Commissioner, three signal rockets, for the information of Captain Fytche, who had promised to co-operate to the Westward and Northward at Kyomazeen; they were replied to by guns, and during the night, on the report that the Enemy were felling trees close in our front, a few shot and shells were fired at them, with good effect I believe.

On the morning of the 19th instant, at 7 A. M., we moved on, the Right Wing leading and the Left Wing in rear of the Artillery. H. M.'s 80th Regiment formed the advance guard, and was followed by the Sappers clearing the road; the Enemy's position was described as being at Nayoung-Goun-lya, the head of the piece of water on our right, and along the edge of which or very near it the road lay. I expected to find the Enemy posted on the opposite bank, and that we should have to come under a flanking fire before being able to reach his right and turn the position where the nullah is dry; it did not seem reasonable to expect that his left flank would be found unprotected, and I, therefore, did not think it worth while to pass a party across the water to try that flank; it would have been useless, as I afterwards found that an extensive and impassable marsh, though invisible from our side, covered his left flank; the forest was so dense on our left that to cut a new road direct from the nullah, entirely round the Enemy's right, would have been very laborious, and would have occupied a very long time, and the sickness amongst our troops had become so alarming that great danger would have accrued from the delay. I was withal unwilling to diverge from the path our guides led us; there had been already so much uncertainty and difficulty about finding the road, that it seemed the safest plan to get at the Enemy as speedily as we could, and I trusted to a rapid advance, supported by our guns and rockets, and relied on carrying the Enemy's breastwork on the right the moment we should reach it.

On coming opposite his left flank, the firing commenced, and here our rockets were advanced and opened fire; the 4th Sikh Local Regiment were sent on to support the 80th Regiment, and the 18th Royal Irish in support of them; the Sappers worked away at the path, which was much entangled with wood, and the guns were shortly got into position and opened; the firing had, however, become very heavy, and it was reported to me that Major Wigstone was wounded. On reaching the front, I found that Major Armstrong was also wounded, as well as many other Officers and men, and that the fire of the Enemy on the path leading up to the breastwork was so heavy, that our advanced party had not succeeded in carrying it; the most strenuous exertions were made, and Lieutenant Johnson, the only remaining Officer of the 4th Sikh Local Regiment, persevered most bravely, but it only increased the loss. The 80th and Sikhs then went on in the hopes of getting round the extreme right of the Enemy; the jungle, however, was so thick, and the abattis so strong, that our men got dispersed, and could not get through it.

It was at this point that the 18th Royal Irish came up, and the fire of musketry and grape was so heavy that they also got scattered and sustained great loss. Lieutenant Cockburn was wounded. I was here joined by Major Holdich, now in command of the Right Wing.

Although it was difficult from the dense smoke, and under so heavy a fire, to discern exactly what was between us and the breastwork to be assailed, I succeeded at last in ascertaining that there was no water, and no obstacle that could not be easily surmounted, if the Troops could pass through the Enemy's fire, a distance of only 20 or 30 yards. The "assembly" was accordingly sounded, with a view of getting together as many men of the Right Wing as could be collected.

In the mean time Major Reid, of the Artillery, brought up in the most gallant manner his 24-pounder howitzer. It was dragged through the bushes by the hand, chiefly by men of the 51st Regiment, and opened within 25 yards of the Enemy with marked effect; it was, however, in a much exposed position, and I regret to say Major Reid was almost immediately wounded; the fire from this gun was kept up in the most spirited manner by Lieutenant Ashe.

Finding the Right Wing much weakened from the loss they had sustained, and the number of men it was necessary to employ as skirmishers on the bank of the nullah, for the purpose of keeping down the Enemy's fire, I ordered a reinforcement from the Left Wing, they were joined by the men of the Right Wing that had been collected by Major Holdich, and who were led by Ensign Wolsely, and the whole advanced in a manner that nothing could check. The fire was severe, and I am grieved to say, that gallant young Officer Lieutenant Taylor, 9th M. N. I., doing duty with H. M.'s 51st K. O. L. I., fell mortally wounded. Ensign Wolsely, H. M.'s 80th Regiment, was also struck down, as well as many other gallant soldiers; but the breastwork was at once carried, and the Enemy fled in confusion, the few who stood being shot or bayoneted on the entrance of our men.

Lieutenant Trevor, of the Engineers, with Corporal Livingstone and Private Preston, of H. M.'s 51st K. O. L. I., first entered the Enemy's breastwork, the two former each shooting down one of the Enemy opposing their entrance. The lead devolved on them, and on Sergeant Preston, of H. M.'s 51st K. O. L. I., and Sergeant Major Quin, of H. M.'s 80th, when Lieutenant Taylor, Ensign Wolsely and Color Sergeant Damahoe fell in the advance.

Our two guns which fell into the Enemy's hands on the 4th of last month, were here recaptured; they had been fired with most deadly effect, and were well served to the last; in attempting to carry off one of them, 12 men were left dead by a discharge from our 9-pounder gun.

The Enemy sustained, I understand, a heavy loss in killed and wounded. His whole force and means were concentrated in this position, and I imagine he must have had about 4,000 men in these breastworks, which extended 1,200 yards in length.

The Chief, I am sorry to say, escaped, but I lost no time in sending on Major Cotton, of the 67th N. I., with 100 men of his own Regiment and 100 of the 51st K. O. L. I., under Captain Irby, to Kyomtano, about two miles distant. Here they found Captain Fytche on the opposite bank of the nullah.

Myat-toon's Force being broken up and dispersed, it remained for Captain Fytche and Captain Smith, the Deputy Commissioners, to take measures for his pursuit and apprehension. Parties of Captain Fytche's Kareens were immediately detached for the purpose; the report brought in stated that he was moving about with merely a few followers in different quarters, and a number of his principal followers surrendered themselves.

The inhabitants, of whom there was a very large number, probably 10 to 20 thousand, had concealed themselves in the jungle, but began to come in on the 20th, and under directions from Captain Fytche commenced to move off, with such property as they had, in boats, of which there were an immense number in the creek or nullah.

He had given them notice of his intention to burn the place down immediately on our leaving it.

On the morning of the 20th Captain Tarleton, R. N., to whom I had forwarded intimation on the previous day of our having forced Myat-toon's position, arrived at Kyomcazen with several boats. He had been long laying at the mouth of the creek with steamers and gun-boats to cut off Myat-toon's retreat in that direction.

His co-operation is now most valuable, and the exertions of his Officers and men must have been very great, in cutting a path felled trees thrown across a narrow nullah, and in removing stakes and obstructions of every description impeding the passage along a distance of 15 miles.

Difficulties and impediments seemed to vanish before him and his boats' crews, and by 1 P. M. of the 21st we had a sufficient number of the boats found in the nullah prepared for the conveyance of our sick and wounded men and of our Artillery. The whole started off, were shipped on board the steamer on the following morning, and carried on to Donabew the same day; every bad case of the sick and wounded being transhipped to the "Phoenician" on passing Yandoon, which vessel was dispatched to Rangoon. Such dispatch, under no ordinary difficulties, seems to me well worthy of being recorded.

We reached Kyomtano on the night of the 22nd, and Akyo, on the following day, and on the evening of the 24th, the whole Force, with baggage and stores, had arrived at Donabew.

I grieve to say the sickness was very great from cholera, in particular at Kyomtano. A Return is appended of the loss we have sustained from sickness as well as in engagements with the Enemy.

A Return of the captured ordnance is also forwarded. The guns and rocket tube belonging to the steamers have been made over to Captain Tarleton.

I propose to embark immediately with the whole of the troops, and return to Prome. Such of the men as cannot be conveyed in the steamers, will proceed in country boats.

I trust the manner in which the service has been performed, will be approved of by the Major General:—Mya-toon's Force has been dispersed and scattered; his guns taken and his stronghold and villages, containing his supplies and resources, burnt down, and the population removed; he himself is a fugitive and an outlaw; and although he will probably be joined by some of the worst and most desperate characters amongst his former followers, he will never be able to regain his former importance and power, and will no doubt, ere long, be captured by the exertions and vigilance of the Civil Authorities.

On the conclusion of this service it is my duty to bring to the notice of the Major General the excellent conduct of the Troops.

Major Reid and the Officers and men of the Artillery, have rendered the most efficient service during the whole of the operations and the brave and gallant manner in which the guns were brought forward and worked on the 19th instant, will, I trust, receive the especial notice of the Major General.

To Lieutenant McGrath, who was slightly wounded, and Lieutenants Ashe and Dobbin, my acknowledgments are due for their gallant conduct, and also to Mr. Conductor Lisby, who was always in advance with the rockets, which he fired on every occasion with such precision and effect as to be of essential service to us; he was, I am grieved to say, very severely wounded after firing almost his last rocket on the 19th instant; he may, I trust, recover, and I would recommend him most strongly to the Major General's notice and the favor of Government.

To Lieutenant Mullins, and the Detachment of Madras Sappers and Miners, the greatest praise is due; the work executed by the men was most laborious, and the zeal and talent with which their energies were directed by Lieut. Mullins, are most creditable to him. He was ably seconded by Lieut. Trevor, and I am mainly indebted to these Officers and the men under them for enabling the Troops to reach the enemy's position.

To Lieut.-Col. Sturt, Commanding the Left Wing of the Force, and to Major Wigstone, Commanding the Right Wing, my best acknowledgments are due, for the aid I have received from them, and for the gallant manner in which they brought their Troops into action.

I beg to bring to the Major General's notice Major Holdich, H. M.'s 80th Regiment, Major Cotton, 67th N. I., Major Armstrong, 4th Sikh Local Regiment, Captain Irby, H. M.'s 51st K. O. L. I., and Captain Armstrong, of H. M.'s 18th R. I. Regiment, and the Officers and men of the Detachments under their respective Commands: the whole of them behaved with great gallantry, and are entitled to my best acknowledgments.

My best thanks are due to Captain Bruce, Deputy Assistant Adjutant General, for the able manner in which he has performed his duties, and for the assistance he has afforded me on every occasion.

To Captain Garden, Deputy Assistant Quarter Master General, I have to tender my best acknowledgments, for the very efficient aid I have received from him in his department, the duties of which have been very arduous.

I would bring to the notice of the Major General Lieutenant Pilmer, H. M.'s 51st K. O. L. I., Brigade Quarter Master 1st Madras Brigade, who, by permission, accompanied this Expedition. He has rendered the most essential service to the Force, in carrying orders and in seeing them executed, in many cases of emergency and urgency, and has undergone great fatigue and shown much zeal for the service. He is a most able Staff Officer, and I would recommend him strongly to the Major General's notice.

Lieutenant Thompson, my Aide-de-Camp, has been of the greatest service to me, and has shown great intelligence as well as displayed great gallantry, and I would recommend him strongly to the notice and favor of the Major General.

To Surgeon Andrews, 67th N. I., and the Medical Department, I have to return my best thanks for the performance of their very arduous duties in the care of the sick and wounded; and to Assistant Surgeon Murphy, Staff Surgeon to the Division, in particular, my special thanks are due: he was the senior Medical Officer until the arrival of the reinforcements from Rangoon, and all the arrangements made by him have been most perfect. On the 19th instant, the wounded men were attended to by him under a very heavy fire, and though wounded (I am happy to say very slightly), it did not deter him a moment from the zealous discharge of his duties; he has performed them throughout in the most unwearied and able manner, accompanying the men in the boats to the steamers, and seeing them carefully attended to, and disposed of; I consider the Force fortunate indeed in having a Medical Officer of his talent and character in such trying circumstances, and I feel assured the Major General will accord his approbation of the services of this Officer.

The deficiency in the Commissariat Department was supplied from Rangoon, Lieutenant McKellar being sent from thence. The duties have been most ably and creditably performed by this Officer, and the Force, ever since his arrival, has been most regularly and amply supplied with provisions, although under circumstances of great difficulty from want of transport. His very efficient subordinate, Mr. Conductor Horton, I am grieved to say, died on the march from Kyomtana, on the 18th instant, of cholera, brought on, I fear, by over exertion and fatigue in the discharge of his duties. He was a most energetic Officer, and is a loss to the service.

Captain Smith, the Deputy Commissioner, has accompanied the Force throughout this Service, and has been most zealous in obtaining for us every aid the country could supply.

The co-operation of the Naval Force has been most effective, and has conduced greatly to the success of the Expedition; and I feel deeply indebted to Commodore Lambert and to Captain Tarleton, and his Officers and men, for the aid and assistance they have so promptly given us on every opportunity or occasion of difficulty.

Return of Killed and Wounded of the Expeditionary Force under Brigadier General Sir John Cheape, K. C. B., from 27th February to 19th March, 1853.
